Welcome Freshman:

We are pleased that you have chosen Anderson College as your place to begin your educational experience. Anderson is a fine college with an excellent reputation. We are proud of the new students who come here and join all of us in this experience of studying, growing, and developing.

This *New Student Directory* is provided by the Student Development Division at Anderson College to assist you in getting to know your fellow students. The directory has the names and pictures of new students. These pictures were taken at the summer orientation sessions you attended before classes began.

I hope this information will be helpful to you, and I wish you a good school year.
